Reference: C00422964, Amended 12 Day Pre-Primary Report (10/1/07 - 1/23/08), received 5/14/08

Dear Ms. Hough,

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice specifically requests an explanation of why the gross receipts disclosed for the 2008 Primary Election on line 1 of the FEC Form 3Z-1 of the subject report exceed the total gross receipts disclosed on Schedule A lines 11, 12, 13, 14, and 15 of the subject report and prior filings. The original report was submitted on 2/1/08 and subsequently amended four times. The total gross receipts reported for each filing are as follows:

Original Filing (Submitted 2/1/08)	655,460.79
Amendment 1 (Submitted 2/5/08)	793,877.48
Amendment 2 (Submitted 2/9/08)	793,577.48
Amendment 3 (Submitted 4/1/08)	793,577.48
Amendment 4 (Submitted 5/14/08)	793,577.48

The \$778,897.48 figure reflected on line 1 of the FEC Form 3Z-1 is actually less than the total gross receipts reported in each of the filings with the exception of the original filing. In the case of the original filing, several transactions were omitted from the report due to an error that occurred during the upload of data into the FEC File software. The missing data was provided in Amendment 1 submitted on 2/5/08.

The current data accurately reflects the gross receipts collected and designated for the 2008 Primary Election as well as the total gross receipts for the 2008 Election Cycle as of 1/23/08, the end of the reporting period for the 12 Day Pre-Primary report.

I hope this offers sufficient explanation for your records. If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer
Donna Edwards for Congress
